## Welcome to our office!

**We are delighted to welcome you to our practice.** Our goal is to provide the best quality care and customer service that we feel you deserve! We provide our patients with state of the art technology combined with the latest dental products, skills and knowledge.

If you have dental insurance and provide us with necessary information, we will be glad to submit your insurance for you. We will estimate your patient portion, and this will be due at each appointment. If you do not have insurance, payment is required the day of service with a 5% savings for cash or checks. We accept Visa, American Express, and MasterCard and also have our own office payment option through CareCredit.

On our website (new patient section), we have registration and health history forms for you to complete. Please return them to us as soon as possible.

Your appointment time has been reserved exclusively for you. We trust no change in the appointment will be necessary.

Please feel free to call or stop by our office with any questions you may have. We look forward to meeting you soon!

Sincerely,

Dr. Karl G Berg, DDS
